DIWALI CELEBRATION REPORT

Event	Diwali Celebration (Green Diwali Awareness)
Date	06 November 2026 (06/11/2026)
Venue	GK Vinayaka Vidyalaya CBSE School, Padarnthapuli
Participants	Students and teachers of the school

1. Introduction

On 6 November 2026, GK Vinayaka Vidyalaya CBSE School, Padarnthapuli celebrated Diwali, the festival of lights. The celebration was planned with a clear message: to enjoy Diwali in a safe, eco-friendly way. Students learnt that lighting diyas and caring for the environment is a better way to celebrate than bursting crackers.

2. Objectives

- To help students understand the meaning and importance of Diwali.
- To spread awareness about a pollution-free, eco-friendly (Green) Diwali.
- To encourage students to protect the environment, animals and birds.
- To bring students and teachers together to celebrate the festival with joy.

3. Activities Conducted

- **Awareness posters.** Students of the lower classes held and displayed colourful posters carrying the messages *"Celebrate a Green Diwali"*, *"Light Diyas, Not Crackers"* and *"Protect Animals and Birds"*. The posters promoted saying no to firecrackers, using eco-friendly decorations, using energy-efficient LED lights, and reduce, reuse and recycle.
- **Diya formation.** Students lay down together in the activity room and formed the shape of a diya, symbolising the light of Diwali and unity.
- **Diwali greeting.** A Diwali 2026 greeting poster carrying the message *"May the Festival of Lights bring joy, prosperity and happiness to all"* was prepared by the school, along with the line *"Spread the Light, Share the Happiness!"*
- **Group celebration.** Students and teachers gathered in front of the school building and raised their hands together in a joyful group photograph to mark the celebration.

4. Outcome

The celebration was joyful and meaningful. Students took part with enthusiasm and were introduced to the idea of celebrating Diwali responsibly, with care for the environment, animals and birds.

5. Photographs

Students and teachers celebrating together in front of the school building
